OUTLET PIPE

TUYAU DE SORTIE

A must for any 900 Turbo with an aftermarket tune!

- First Modification that should be done on your Skidoo 900
- 3 HP increase over stock down pipe, can be run with Aftermarket or stock muffler
- Larger less restrictive Down pipe ideal for bigger HP Upgrades
- Works Excellent on Mach Z and 900R turbo engine too!
- Full Stainless steel with Turbo flex pipe for long lasting life
- Has stock O2 location mount already installed

Part No.	Year	Descriptions	Finish	HP Gain	Sound Level
762-4407	2019 - Current	Ski-Doo™ / Lynx™ 900 Ace / 900R / Mach Z Turbo	Stainless Steel	3 HP	Matches Stock

Y-PIPES

TUYAUX EN Y

CODE C | KEYWORD 19

Add horsepower, and quick acceleration with Straightline's Y-Pipe.

- Direct bolt-on
- No jetting or fuel programming required.
