KEYWORD 9

MUDJET

Tackle the toughest terrain with confidence. The MudJet is built for deep mud, water crossings, and swampy trails. Its unique design allows flotation on water while delivering aggressive traction in the sloppiest conditions.

- 8 ply-rated for heavy-duty performance and durability
- Floats on water - ideal for streams, and deep mud
- Wide 305mm profile for stability and strong ground contact
- Deep self-cleaning tread for consistent grip in wet terrain
- Reinforced sidewall and high load rating for work or play
