

TIE DOWNS / SANGLES D'ARRIMAGE ATTACHES

ROK STRAPS

ROK straps are adjustable, versatile and easy to fit around most cargo and luggage items. Simply attach both ends of the straps, connect and tighten down over your load and you're off! Strongest Hold. Quality materials and good mechanical connections ensure these are the strongest stretch straps you will use. The straps are UV protected so the solid core rubber is guaranteed not to rot. Each strap safely holds 100 lbs (45kg) of cargo securely. Secure anything without scratches – no hooks. Loops on both ends can be secured to just about anything, and the mid-strap buckle allows you to adjust the strap to your needs. Each pack includes two straps.

ROK MOTORSPORT / ATV STRAPS 60" X 1" / SANGLES POUR VTT 60" X 1"

These 60" ROK Stretch Straps are designed for riders who want added visibility without sacrificing strength. The black and orange colourway with reflective detailing improves visibility during low-light conditions, roadside stops, and night riding. Built for motorcycles, ATVs, and snowmobiles, the elastic section maintains steady tension over vibration and movement while adjustable webbing allows for precise fitment. Hookless loop attachment points eliminate metal hooks, helping protect bike finishes and reduce snap-back risk.

- Adjustable length up to 60 inches
- 1-inch wide elastic and webbing construction
- Load rating: 100 lb per strap (200 lb burst)
- Hookless loop attachment points
- Quick-release buckle

TIE DOWNS / SANGLES D'ARRIMAGE ATTACHES

ROK STRAP MEDIUM 42" X 5/8" / GRANDEUR MOYENNE 42" X 5/8"

These slim 42" x 5/8" Pack Straps are built for commuters who want compact, lightweight cargo control without sacrificing reliability. Designed for light-duty use, they are ideal for securing jackets, lunch bags, or compact packs on bicycles, scooters, and small racks. The elastic section maintains steady tension as your load shifts, while the adjustable webbing allows for a precise fit. The hookless loop attachment points help protect frames, racks, and gear from scratches or damage. A practical option for minimalist setups where space, weight, and visibility matter.

- Narrow 5/8" width for compact carry
- Adjustable length up to 42 inches
- Elastic and webbing two-piece construction
- Hookless loop attachment points
- Light-duty elastic tension

ROK STRAP SMALL 28" X 1/2" / PETITE 28" X 1/2"

The ROK Small Commuter Strap is designed for quick, everyday cargo control. At 28", it's ideal for securing jackets, helmets, or small parcels without excess strap length or bulk. The elastic section maintains consistent tension over movement, while the adjustable webbing allows for a snug, secure fit. Hookless loop attachment points help protect racks, frames, and bags from scratches, making this strap perfect for daily commuting and travel.

- 28-inch length for compact use 1/2" width
- Elastic and webbing construction
- Hookless loop attachment points
- Quick-release buckle
- Lightweight and packable design
